- **Annuity Related CE Requirement - Texas**

All Texas agents licensed to sell annuities must now complete four (4) hours of annuity-related education initially and another four (4) hours annually thereafter as part of an agent's required continuing education courses. Agents are required to submit evidence of satisfactory completion of this training prior to soliciting individual consumers. The annual period will be based on the agent's license expiration date or another date specified by the Commissioner. This regulation applies to all agents who were issued licenses on or after April 1, 2010, as well as licensees that renew on or after that date.
