

ANICO March Update

Annuity Withdrawn in Texas and Utah

The Palladium Plus and Palladium Ultra Annuities will be withdrawn from sale in Utah effective May 31, 2010. The Palladium Century I, III, V, and VII Annuities will be withdrawn from sale in Texas effective May 31, 2010.

1035 Applications for these products must be received in the San Antonio Processing Center by April 1, 2010 to insure a final issue date of May 31st.

Cash with Applications for these products must be received in the San Antonio Processing Center by May 1st to insure a final issue date of May 31st.

The Palladium (no bonus) Annuity may continue to be sold in Utah and the Palladium Century (no bonus) Annuity may continue to be sold in Texas.

NEW! SPIA with COLA States

Effective March 17, 2010 SPIA with COLA is now available in MA and NV.

Application R10039-MA should be used for MA and R10039 should be used for NV.

Effective with the change to the new annuity application in these states, the previous version of the annuity application (10039) will be withdrawn. Applications taken in MA and NV using the previous version can be dated no later than April 16, 2010 and received in the San Antonio Processing Center by April 23, 2010.
